Candidate Profile
Controller
Maryland Club | www.marylandclub1857.org
Baltimore, Maryland

Organization

The Maryland Club is a 160-year-old private gentlemen's club located in the historic Mount Vernon section of midtown Baltimore. The club is supported by the Baltimore community with many generational members as well as new younger members. The current facility was constructed in 1891 and was renovated in 1995-96 after a devastating fire. The club recently completed a significant renovation and refurbishment designed to strategically improve member engagement while addressing the long-term needs of the future membership. This scope of the renovation included adding an additional doubles squash court and increasing the square footage of the fitness facility and locker room, which nearly doubles its size.

The project also included converting part of the club to make a destination casual dining room with a bar on the first floor. The club enjoys a robust private party and member event schedule throughout the year.

With multiple dining venues, the Maryland Club offers a wide choice of culinary experiences, including formal dining, informal dining and banquet rooms for up to 500 guests.

Position

The position requires an experienced Controller who will oversee the accounting, budgeting/finance, HR and internal IT functions within the club, and will service/support all club operations. This individual is responsible for the leadership, continued development and operation of an efficient accounting system in a well-tenured and respected club office. The candidate should be comfortable working in a dynamic office where everyone works together as a team.

The Controller will collaborate with the General Manager/COO in providing analysis to support club operations and strategic decisions. The Controller will submit for review to the General Manager/COO financial statements and specialized reports each month which highlight trends in club operations. The Controller must understand the traditional committee structure of a private club/nonprofit organization and be able to excel in a collaborative environment where the General Manager/COO, committees and board work to reach common goals. The candidate must have strong communication skills based on transparency and accounting best practices. The Controller is expected to support the club’s longstanding tradition of an authentic member service culture where all staff members, as a team, are focused on providing a world-class club experience.

The Controller should be an active mentor who can align his/her team to meet the direction and vision of the General Manager/COO while executing the financial needs of the club. The Controller reports to the General Manager/COO with oversight from the Club Treasurer and outside auditing firm. The club supports the CMAA’s General Manager/COO concept with all departments reporting to the GM/COO.
